

MICROFLEX SCALE SYSTEM W/ BLUETOOTH

Brand: **Intercomp**

Product Code: **170325**

MICROFLEX SCALE SYSTEM W/ BLUETOOTH

This Microflex Scale System has bonus Bluetooth® Technology included. This new version Part # 170325 replaces the old Part # 170201 (Non-Bluetooth).

The newest versions of the Intercomp RFX Wireless race systems have the ability to transmit weight data from the indicator to a mobile device using Bluetooth® Technology. This is a new standard feature for all RFX Indicators built after January 1, 2020.

If you want the best scale pad set to corner balance your vehicle THIS IS IT - Hands down. As all of our clients know, we carefully choose products to add to our inventory, and this product is used by all top level teams around the world. Locally in Australia it is exclusively used by all Supercar teams because it is the best. Wireless technology that simply works. This is NOT a Wi-Fi system it is a secured RF Wireless transmission system, no cords !

This is well worth the investment, we strongly recommend you do not bother with any other systems, we have done the research for you!
