

1/2" BSP Y PIECE (FemalexMalexFemale)

Product Code: 3110281181

1/2" BSP Y PIECE (FemalexMalexFemale)

1/2" BSP Male thread inlet with two 1/2" BSP Female outlets is used in many varied applications. This compact and handy Y splitter permits uniform air flow with minimal restriction through its 15mm internal bore.

Used in applications such as hose splitters, dual output from regulators etc.
Maximum Working pressure is 35 Bar.

Specifications	
Application Example	Regulator output splitter, hose splitter
Bore Size	15 (mm)
Max. Working Pressure	35 (bar) Maximum 507 (psi) Maximum
Overall Height	53.10mm (incl male thread) 41.10mm (not inc male thread)
Thread Size	1/2" BSP Male (inlet) x 1/2" BSP Female (outlet)
Width	52.90mm (across the Y) 26.20mm (side profile)
