TUNE UP KIT

Brand: Toku

Product Code: 426206D5D

TUNE UP KIT

Service or Repair Kit for selected 250 kg models of the Toku Industrial Air Chain Hoists. This kit contains the most commonly required items, all in a convenient kit.

Models this kit is suitable for are: TCR250DP & TCR250DPE. Please note there are two extra O Rings which are not required for the cord model.

See Technical Documents for a PDF showing the listed items and relevant item numbers on the Parts List so you can see if your required items are included in this kit.
