ADAPTER METRIC - JIC

Brand: Krontec

Product Code: 919-16X1.5-06D-B

ADAPTER METRIC - JIC

Metric - JIC aluminium adaptor - S.A.E. 37° (JIC/AN) with M16x1.5 male thread one side and 9/16-18 UNF (dash 06) male thread the other.

Used on the end of the LL-03 Air Lance (Spike) and ROV-GA-150 roll-over pressure valve for an example. If using on end of the air lance, roll-over valve you also need the aluminium sealing washer part no. 7603-16mm.
