

5/8" TAPER ROD - 200mm LONG

Product Code: AATH200-15-000

5/8" TAPER ROD - 200mm LONG

This is a 5/8" HEX shank x 17mm diameter x 6 degree taper rod (shank) to fit an impact tool which can accept a floor scraper tool, or any other item that could fit the taper. This could also be used to adapt other heads or bits so they fit into any tool with a 5/8" shank shaft. Suits our models AA3B, AA3BAV, AA1.3B, AA1.3BAV, THA2S, THA4S, THH8S, TYC6B.

Such applications for this rod could be to use one of our Industrial chipping hammers, as listed above, to drive rio bar for ground spikes etc for fencing or other applications. Please note you will have to make a head to fit onto the tapered section at the front of this rod to achieve your desired result.
