NORGREN 1/2" FR KIT

Brand: Norgren

Product Code: B73FR12WB

NORGREN 1/2" FR KIT

Norgren 1/2" BSP Professional Metal Bowl Filter & Pressure Regulator (FR) Assembly complete with pressure gauge and quick fit wall mounting bracket.

This is a top line product as it comes with metal bowl assemblies on the Filter/Regulator unit, making them far more durable than polymer bowls that have a tendency to crack.

Unit has a massive 106cfm of flow.

We offer these industrial units at very competitive prices making it easier for you to ensure you get the right pressure and clean filtered air to your tools!

Other options such as automatic drain, safety lock-outs, higher flow units, etc are available contact us for assistance.
