CARLIFTER SET (3PCS) LAM HURACAN GT3

Brand: Krontec

Product Code: CARLIFT-LAM-HUR-GT3

CARLIFTER SET (3PCS) LAM HURACAN GT3

This is the complete set (of 3) car lifters for the Lamborghini Huracan GT3 vehicles from 2016.

Set includes: one front and two rear.

This fits perfectly under the vehicle, but you will have to open the diameter of the carbon floor pan where the jacks extend to fit the head of the car lifter set so it can fit through the floor pan.

For this set to fit your vehicle you should have Krontec Air Jacks already fitted (e.g. 1 x 42A011031D Front Air Jack and 2 x 42A011031D Rear Air Jacks). There may be extra letters or numbers after the series model on the air jacks. To ensure you get the right car lifters please advise your model number and serial number off the side of the air jacks at time of enquiry.

Please contact us if you are unsure if this set suits your vehicle so we can ensure that you get what need, right out of the box!
