

1" PITSTOP IMPACT WRENCH - DUAL (ALLOY)

Brand: Paoli Pit Stop

Product Code: DP6000BIAS-A

1" PITSTOP IMPACT WRENCH - DUAL (ALLOY)

1" Square Drive Unhanded Paoli Pit Stop Impact Wrench (Wheel Gun). This product is best suited (but not limited) to Porsche - Endurance, IMSA and Le Mans Series.

The BIAS system gives you both RH & LH versions inside a single wheel gun. This model is particularly suitable for those championships in which the use of a single wheel gun is mandatory. The special lever allows the user to change modes quickly during the pitstop.

This model has been designed to be smaller, lighter and provide optimum efficiency in comparison with conventional wheel nut guns and are able to tighten or loosen a wheel nut in less than a second. The guns are manufactured to optimum quality standards and have had no reported failures during a race, vital where every second counts in the pitlane.

This Model features include a lightweight aluminium front cover, high speed and durability you can only expect from Paoli Pit Stop Products!

You can also purchase separately 2mm Thick Transparent Plastic Cover Part# B.18.0043
