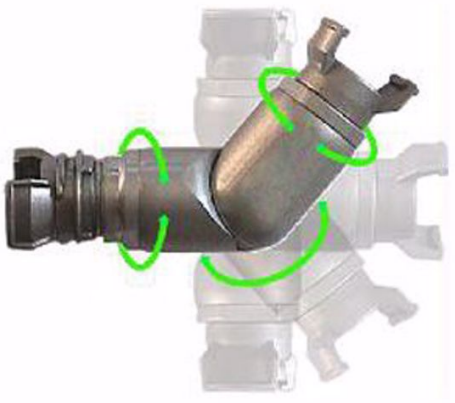
40MM ID SWIVEL X 1-1/2" M/F - VITON

Brand: Variacor **Product Code: DV40MFB112VT**



40MM ID SWIVEL X 1-1/2" M/F - VITON

1-1/2" (Viton seal) swivel fitting is unique in many ways. This model is more specific for use with Fuels (unleaded,diesel and methanol) and Hydrocarbons is available.

Can also be used for many varied applications, one such application is the use on fire fighting hoses on the outlet end.

Excellent OH&S product as it reduces operator RSI. Nothing comes close to the flexibility this swivel provides, plus is does not restrict the flow through the swivel. With its massive 40mm ID this swivel can pass a high volume with ease. This is achieved through not only its bore but also the linear flow design which eliminates any sharp angles inside the swivel.

360 degree rotation on three points ensure absolutely no tangled supply lines and an amazing reduction of friction making the product movement in your hand very free and easy!

40mm id bore x 1-1/2" Male x 1-1/2" Female BSP threads.

DV40MFG112 model come with nitrile seals for more standard applications is also available.
There are many swivels available in this range for varied applications including fuel, paint and other fluids transfer. Specialty swivels also made to order, including electrical conductivity through the swivel.
