5-WAY LINE COUPLER

Product Code: **G-2150**

5-WAY LINE COUPLER

Industrial 5 way line coupler block is complete with Japan style couplers, ready to plug and play!

Features two holes in the block assembly for easy, solid and quick mounting to wall or any other surface. Block threads are all female 1/2" BSP.

You can remove the couplers on each end to further extend the block or place it in a line system. All couplers can easily be removed for servicing or replacement with your preferred couplers of choice.
