RESIN CASE C/W CUSTOM FOAM INSERT

Brand: **HPRC**

Product Code: **HPRC2760WIF001**

RESIN CASE C/W CUSTOM FOAM INSERT

HPRC 2760W Wheeled Resin Protective Case with precision foam insert to hold customers special electrical testing equipment. Case features braked wheels and insert to hold name plate for case/contents identification.

This was designed to securely and safely hold a laptop, multiple power supplies and testing modules, user manuals and supporting DVD's, all whilst making it easier to place and remove the items out of the foam when required.

If you have equipment requiring protection from the environment whilst transported or during storage, contact us, we can provide a tailored solution.
