3/8" INDUSTRIAL DRILL

Brand: **Toku**

Product Code: **MD10L**

TOKU 

3/8" INDUSTRIAL DRILL

3/8" Industrial non-reversible pistol grip air drill complete with built-in speed controller, made in Japan. This is a true Industrial drill for the heaviest use applications.

The product features a planetary gear system, ensuring smooth operation and long life, a tease throttle that can be set to your liking and a very quiet handle exhaust. The body is also ergonomically shaped making it fit in your hand perfectly! The tool is very compact, but it has the best power in its class!

We are confident you will be very pleased with this tool!
