

TOKU INDUSTRIAL COMPACT NEEDLE SCALER

Brand: **Toku**

Product Code: **N200**

TOKU INDUSTRIAL COMPACT NEEDLE SCALER

Industrial compact needle scaler - Made in Japan! This is a very solid yet lightweight product, made for the heaviest industrial applications.

This product is all steel in construction and provides a powerful scaling action, yet with its compact design allows it to fit into the tightest of spaces. This is used widely in mining, construction and heavy manufacturing industries with excellent performance, durability and reliability.

As with all of Air & Allied Sales (Pacific) imported products, it is fully supported with spare parts and assistance from stock.
