1/2" MALE PLUG COUPLER - JAPAN TYPE

Product Code: PM40

1/2" MALE PLUG COUPLER - JAPAN TYPE

1/2" BSPT Male thread, Japan style, plug fitting is made from quality hardened steel material for added durability.

Our couplers will provide a better connection than cheaper, inferior couplers. By using a better quality coupler you will save money by reducing air leaks and also have a safer more robust connection.

We also have in our range other styles and types, if you cannot find what you are looking for please contact us by going to the "Contact Us" page.
