## REFUELLING COUPLER 3"FOR HOSE CONNECTION

Brand: **Krontec**

Product Code: **RFC-88-K-SL**

### REFUELLING COUPLER 3"FOR HOSE CONNECTION

Refuelling coupler for 3" hose connection outer (vent line) and 38mm inner (fuel line) Inner/Outer hose connection.

This is an OLD version and we highly recommend you utilise the latest RFC-89 versions, however if you would like to use the inner and outer hose connection to match your old system WE CAN HELP with supply of this particular part.

NOTE: the RFC-88 and RFC-89 versions do interchange between the coupler and the "Car side" nipple.

This product is a spare part for the Krontec Refuelling RFC System.

If ordering this is item it is a special order and as such cannot be returned for credit or cancelled once order is placed.
