

7/8" HEX IND BREAKER

Brand: **Toku**

Product Code: **TCD30 - 7/8"**

7/8" HEX IND BREAKER

Industrial 13.6kg (30lb) Large Hammer is lightweight and easy to handle - Made in Japan. The tool features an internal safety trigger and a durable and reliable latch retainer system, PLUS a swivel air inlet to stop unwanted hose twisting and all components are forged to ensure maximum durability and reliability, making this tool perfect for the harshest of environments such as mining, construction and other resource industries.

Simple and easy maintenance can be performed on this tool, further enhancing its suitability to the above named industries. This quality product now has even more competitive pricing, so why would you use anything else!

As with all of our industrial products, we offer technical and spare parts support to ensure your investment in our imported product(s) is a wise one.
