1" HEX IND AV BREAKER C/W SILENCER

Brand: Toku Product Code: TPB40SVS - 1"

1" HEX IND AV BREAKER C/W SILENCER

Industrial 18kg (40lb) Anti-Vibration Silenced Breaker - Made in Japan. The unit features a durable Anti-Vibration handle to reduce operator fatigue and a safety throttle design to avoid unwanted activation of tool - These are important OH&S features.

This product is manufactured from the highest quality materials to ensure you get the best durability and performance, maximising your return on investment.

The unique Anti-Vibration design removes 50% of the vibration without power reduction.

The alloy steel forged components provide maximum durability, forged latch retainer system makes for quick and easy chisel change. 4 bolt handle design allows for quick and easy servicing, this is especially handy when on site or remote locations.

The tool also features a swivel inlet to make operation and handling of the tool easier. If you are a construction or hire company, mine site or similar company looking for a solid performer with after sales technical and spare parts support from stock - this is the product for you.
