WHIP CHECK SAFETY CABLE

Product Code: **WC10-32**

WHIP CHECK SAFETY CABLE

Whip Check Safety Cable to suit hose id - 1/2" to 1-1/4" cable length - 1/8" x 20" long. Durable heavy-duty steel cables help prevent injury from accidental separation of clamp and coupling devices.

This part number suites from 1/2" to 1-1/4" Hose Id and has a cable length of 1/8" x 20" long.

Both ends of this whipcheck are adjustable by pulling the collar back and widening the loop. Once the cable is over the fitting release, it will tighten around the hose.

- Easy installation - no tools
- Highly rust and corrosion resistant
- Helps to prevent injuries caused by broken hose connections
- Economical
- Fits hose-hose or hose-outlet connections
- Convenient spring-powered loops open easily to provide a firm grip on the hose
